BETWEEN THE LINES

A MATTER OF TIME

One of the many things that makes the 48 hour days spent here at the Mouseworks so much fun is everyone's willingness to explore new vistas and new possibilities. A number of this month's issues are a good example of that.

Irascible Duck editor Bob Foster has arranged an epic story about time travel that spans all four of his regular monthly titles, and, as a result, you readers have got a treat in store.

Thus, may we strongly urge you to buy a copy or two of DONALD DUCK ADVENTURES #17, which begins a four book storyline that is collectively called "The Time Tetrad." It concerns a time machine built by Gyro Gearloose and the trouble Donald and his nephews get themselves into when they use it to travel back to ancient Atlantis.

The story continues a week later in WALT DISNEY'S COMICS AND STORIES #564, when Donald and the boys use the time machine to meet Dink the Dinosaur.

A week after that, in UNCLE SCROOGE #259, Gyro makes a few adjustments in the time machine, and as a result Donald suddenly finds himself stranded in Tierra Del Fuego.

The following week, in DUCKTALES #17, Scrooge and the gang must use the time machine to travel back to the Klondike, when Magica De Spell uses her own time machine to steal Scrooge's Number One Dime.

Not to be outdone by Brother Foster, David Cody Weiss will be presenting a time travel tale or two of his own this month. In the final issue (for now) of GOOFY ADVENTURES, a different time machine sends Mickey and Goofy back to the Stone Age, while in MICKEY MOUSE ADVENTURES #17, Professor Einmug brings a baby dinosaur to the present and the infamous hunter Willy Wildbeest will do anything to get his hairy hands on it.

All in all, it promises to be an exciting month.

Now if we could just get our hands on one of those time machines and go back to the '50s for that mint copy of UNCLE SCROOGE #1...

RARE CARL BARKS COMICS FOR SALE!

The following rare Carl Barks reprints of the old duck man's famous Donald Duck and Uncle Scrooge stories have been unearthed in a cache of an average of 50 to 75 copies each, all uncirculated, unread and originally published by Gold Key and Whitman between 1975 and 1982, prior to the Gladstone series. These were printed in much smaller quantities than earlier numbers (that also sell for much more) and are, therefore, more difficult to find on the collector's market today.

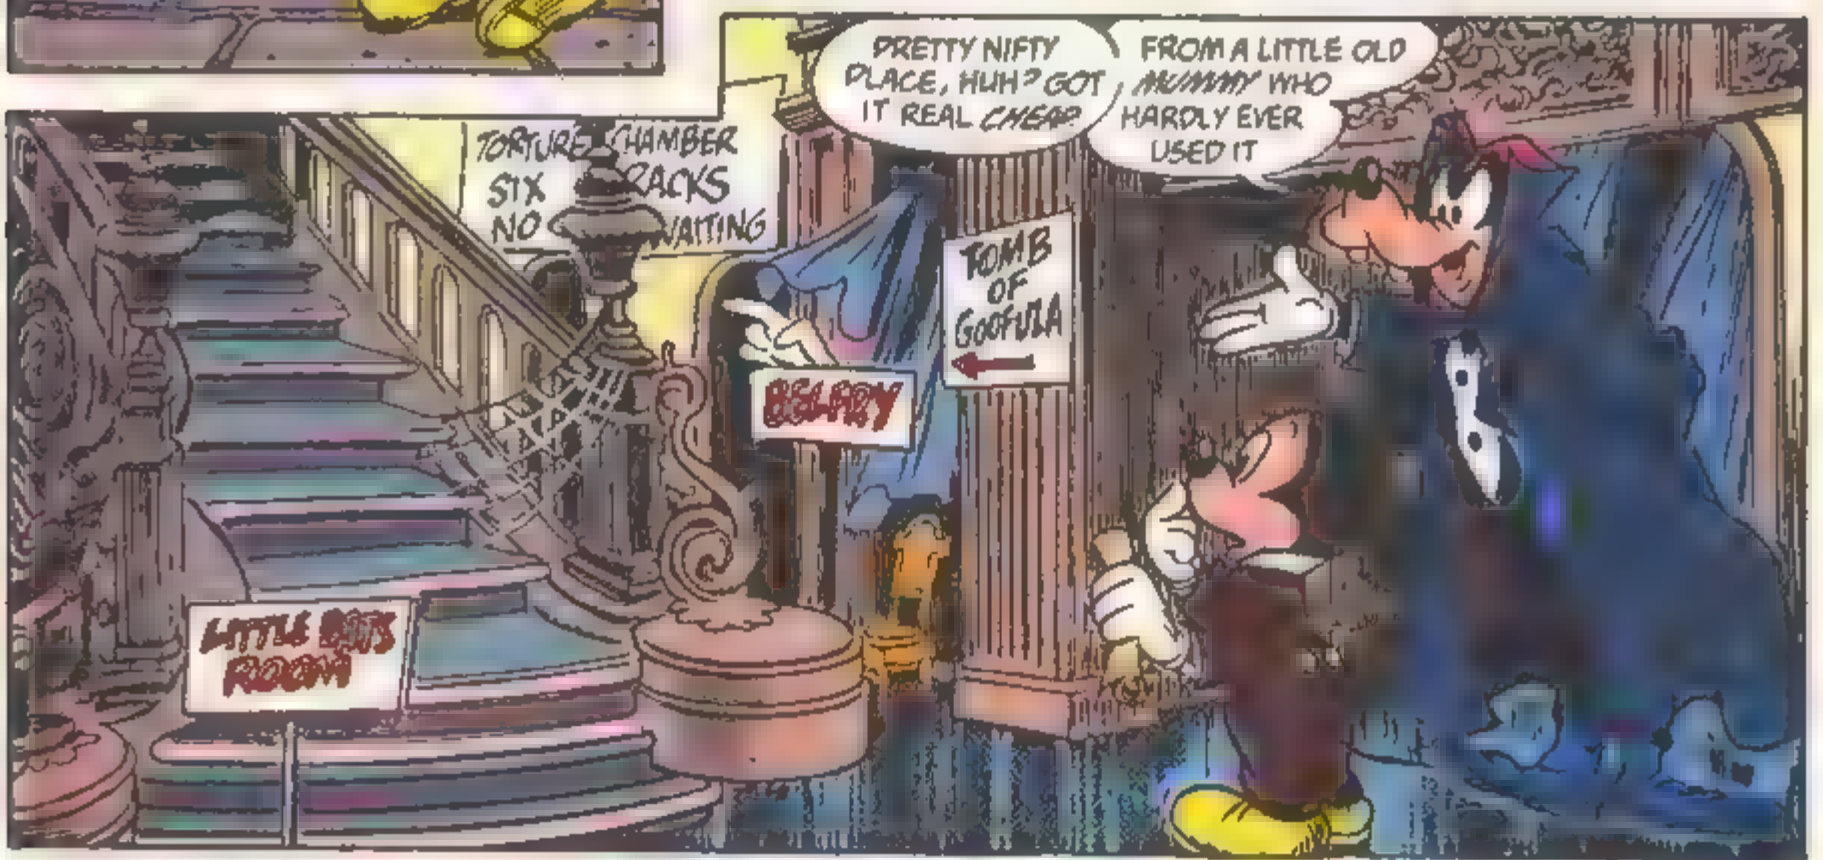

Prompt orders will be filled easily and in their entirety while supplies last; but alternate selections are encouraged and will be selected only if first choices are out of stock. Condition cannot be guaranteed mint (though most are), and therefore all sales are final. Immediate refunds will be made when all copies of a particular issue are sold out, provided that payment is made by money order or cashiers check. Personal checks are accepted, but will delay the shipment of the comics. Please do not send cash. Credit card orders are accepted over \$100.00.

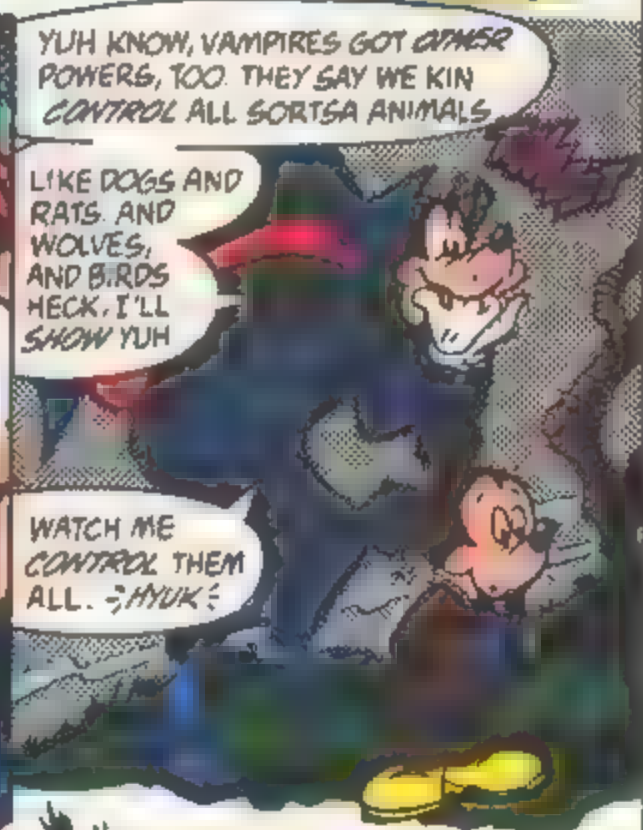

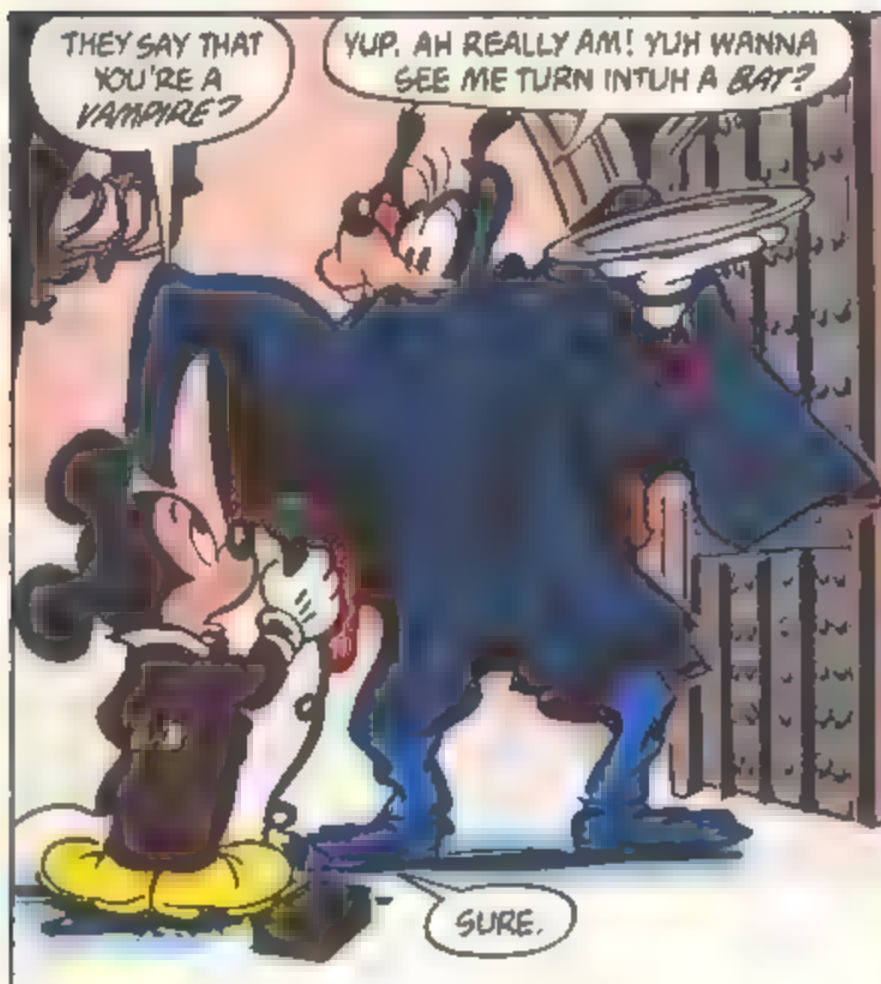

No minimum is required, but a \$5.00 shipping, insurance and cardboard packaging fee must be added to all orders regardless of the quantity of comics ordered. Orders from outside the United States should enclose \$10.00 for surface shipping. Please do not call our offices, as our secretaries will not be able to answer specific questions about condition, quantities or contents. Written inquiries will be answered as time and/or ~~possibility~~ permit.

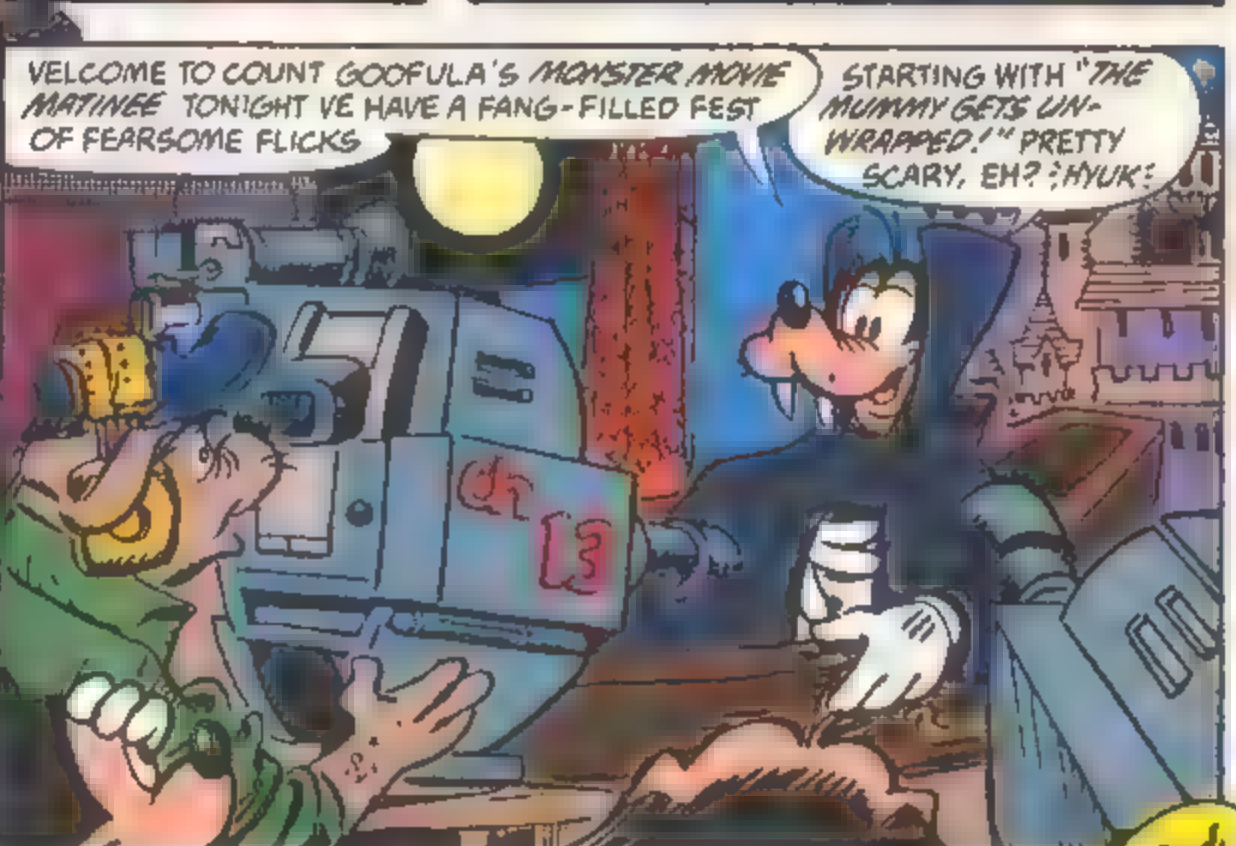

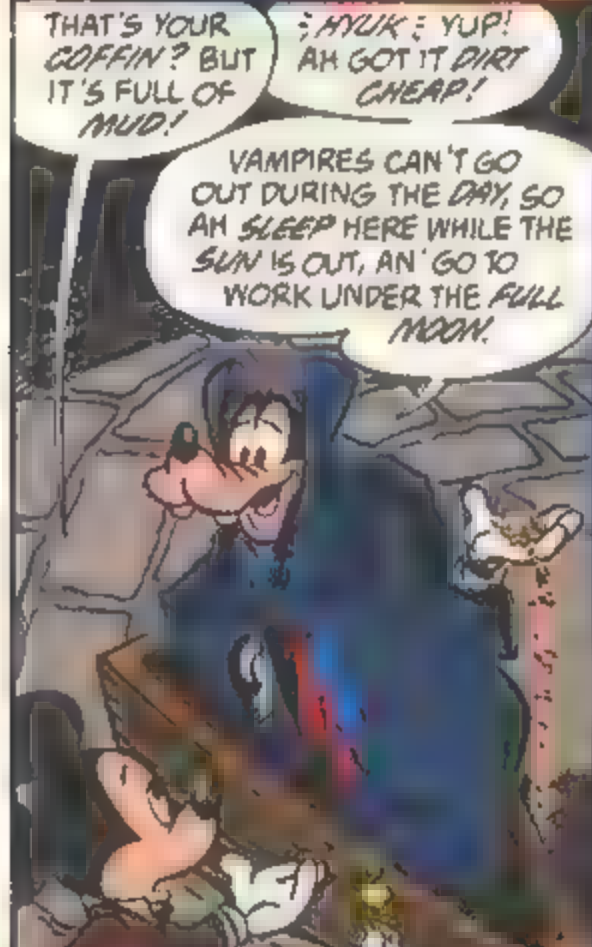

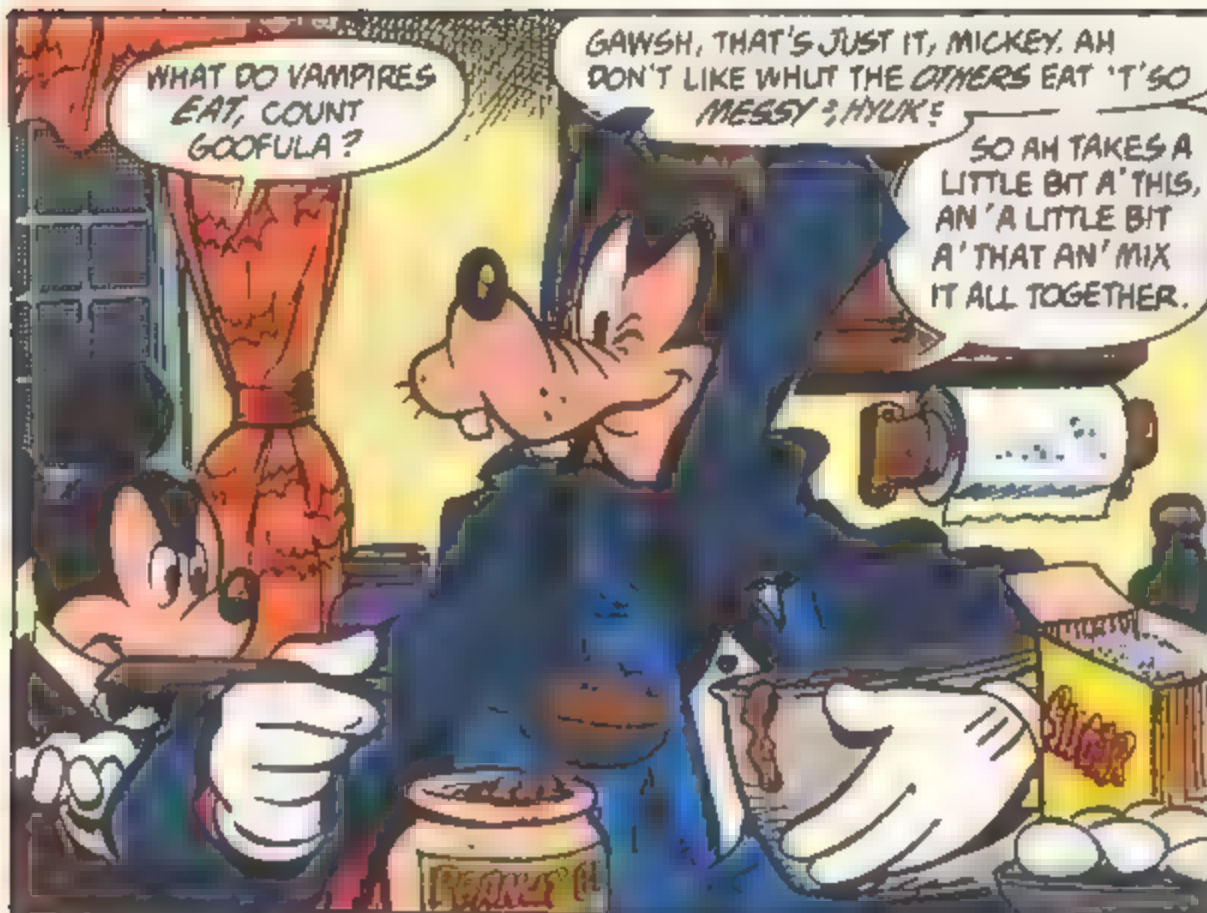

The number immediately following the title is the issue number. The number (or numbers) in parentheses indicates the issue where the reprint originally appeared (the indicated first printings usually sell for two or three times or as much as 15 times the cost of these usually much rarer reprints!).

Make orders payable to Gladstone, Box 2079, Prescott, AZ 86302.

GAWRSH!

I GOT MUH OWN LETTER COLUMN!

Send to: Disney Comics, 500 South Buena Vista Street
Burbank, California 91521

Gawrsh! This here's muh last letter column chore fer a while.

It's been awful fun bein' a historical character an' havin' adventures throughout history. An' it's been fun hearin' from all you faithful readers out there who remember all thuh great artists an' writers an' letterers an' colorists who've worked with me tuh bring yuh all these great stories.

But it's time tuh move on tuh other projects. As yuh know, a star o' muh magnytood can't afford tuh rest on his laurels ('sides, I think laurels have thorns -- or is that holly? I ferget). I got muh career tuh think of. I've been a star in short features. I've been a co-star (with muh ol' pals Mickey an' Donald) in full-length movies. I've been a star of reg'lar comic books an' super-hero comics fer more'n forty years (eat yer heart out, Spidey-Man) -- shucks, I've even been on lunchboxes!

Thuh one place I ain't been a star yet in is teevee. Shore, I've been on thuh **Disneyland** teevee show, an' muh older stuff is played alot on thuh **Disney Channel** cable network, but

I've never had a show that was built around me.

So yuh c'n imagine muh delight when thuh teevee producer, **Jymn Magon**, who had such a big hit with thuh **TALE SPIN** show, offered me thuh lead in a brand-new show.

Thuh show is called (ahem) **GOOF TROOP**, an' will be thuh new part o' thuh 1992 **Disney Afternoon**.

I get tuh play thuh part of a single, suburban dad -- muh son's name is **Max** -- an' I live in thuh peaceful little community o' **Spoonerville**. We've got a beautiful lake, some nifty woods -- all thuh things that make life worth livin' in thuh suburbs. Except some o' thuh neighbors, that is. Mine happens tuh be ol' **Pete**. Pete's not a bad feller, fer a used-car salesman, that is. He owns thuh biggest dealership in town an' kinda thinks that money an' status an' possessions are everythin' in life.

Anyway, Pete an' his wife, **Peg** have two kids -- a little girl named **Pistol**, an' a boy named **Pete, Jr.** -- who we call **PJ**. PJ is thuh same age as muh boy, **Max**, an' thuh two o' them're thuh best friends in thuh world. Most o' thuh stories'll be about how **Max** gets along with **PJ** an' school an' just bein' a kid. I've been a star long enough tuh know that yuh gotta share thuh spotlight with others, so I don't mind that some folks'll think that **Max** is thuh star o' thuh show. Besides, I'll have muh own stories, too, an' with me as a role model, **Max** shouldn't have a problem in thuh world that he can't solve.

That's where I'm goin' fer a while. Between now an' thuh time thuh show starts on teevee yuh'll still be able tuh read stories about me in thuh back o' **MICKEY MOUSE ADVENTURES** or maybe in a special issue o' **Super-Goof** now an' then. An' o' course there'll be a comic book series o' muh new **GOOF TROOP** show next fall. So don't fret about not seein' **GOOFY ADVENTURES** any more. A star's gotta do what a star's gotta do -- an' if it weren't fer all you nice fans out there, I wouldn't be thuh big star that I am. See yuh all soon.

Yer pal,

Goofy

NEXT ISSUE:

Well, there is no next issue of **GOOFY ADVENTURES**, as you now know. However, in this space on your comics rack next month you will find the premiere issue of the **DARKWING DUCK LIMITED SERIES**. This super-hero parody is an adaptation of the kickoff episodes of Disney's new animated TV series, which is debuting this fall as part of the **Disney Afternoon**. Adapted and pencilled by **John Blair Moore**, this will be the wildest book from **Disney Comics** since **ROGER RABBIT!** Be sure to catch it!
